Dear Doug:

To facilitate your verification we have prepared from our records a listing of checks which were received and made payable to [REDACTED] and amounts paid on our behalf at field stations. The time spans indicated on the listing are based on our receipt of the checks or on our receipt of the payrolls for the field station personnel; hence, it is possible that transactions processed by you through September 30 will not be recorded by us until October 1958.

Please compare the details of the attached listing with your records and return the listing with any comments direct to [REDACTED]. In order to make this confirmation effective please do not return the original copy of the listing to me or anyone else except [REDACTED]. A duplicate listing is submitted for your files.

Yours very truly,

Hal
